## **10:00 AM SERVICE – “Epiphany Sunday” – Rev. David Kohlmeier**

For much of the world, the Magi don’t arrive on Christmas Eve, but later, on Epiphany. This year we’ll be honoring Epiphany, using insights and customs from diverse cultures to help us better understand our Third UU Principle, and what it means to truly “accept one another.” This is a multi-generational service.

**CHOIR WILL BE SINGING** – Choir rehearsal at 9:00 AM.

**NATURE WALK** – Meet at the front entrance (inside if it is cold, outside if it is warm) at 9:00 AM. We will start with a reading then take a gentle stroll around the property looking for changes and discussing anything we notice about the plants, fungi, and animals we see. All are welcome.

**RELIGIOUS EDUCATION** – Classes will *not* be held. All are welcome at the multi-generational service.

**COFFEE HOUR** – Snacks provided by the “1<sup>st</sup> Sunday” group (members and friends with last names A-D).

**FELLOWSHIP FLOWER CALENDAR** – Look for Ellen Todd in the lobby and she will show you how to use this new calendar. (See article below for more information.)

**GOVERNING BOARD LISTENING SESSION** 11:20 AM in the Sanctuary. The Governing Board will hold the third of six listening sessions this fiscal year in the East Wing. These sessions are an opportunity to let the Board know what you think. Please come and let us hear your opinions, suggestions and questions.

## **UPCOMING EVENTS AND ANNOUNCEMENTS**

**FELLOWSHIP FLOWERS** - We are forming a new group to make sure that we have flowers or other appropriate decoration near the pulpit. In January we are rolling out the sign-up calendar and hope that many of you will sign up to give flowers in memory of a loved one, in celebration of an anniversary or birthday, or just because you also like to see flowers in church. We will display the calendar in the lobby on January 6 and 13 to show you how it works.

**LADIES LUNCH** will meet **Wednesday, January 9 at Noon at the new Estia restaurant**, 117 Main Street, Falmouth. Text or call Ellen Todd at 978-877-7630 or email her at [ellen@jackson-todd.com](mailto:ellen@jackson-todd.com) by **January 7** if you wish to come.

**ADULT ED PROGRAM *THE DEATH I WANT*** – On **Wednesday, January 9 at 7:00 PM** at the Meetinghouse Dr. Roger Kligler will be lecturing about medical aid in dying (MAiD)--the ability of terminally ill, mentally capable adults to receive a prescription from their physician to self ingest to end their suffering. He is an Internist with extensive experience treating people at the end of life. He has incurable, metastatic prostate cancer.

MAiD is authorized in eight jurisdictions, representing almost 20% of the US population, but not yet in Massachusetts. He will discuss his personal journey from physician to patient to advocate, and discuss 20 years of experience with MAiD in Oregon and how MAiD improves care for even those who choose not to use it.

**IMMIGRATION REFUGEE ALLIANCE** - On **Thursday, January 10 at 7:00 PM** we will present an update on activities and engagement in Massachusetts in 2019 and an eyewitness report from the “Caravan” in Tijuana. This report will be given by a volunteer who spent 10 days in Tijuana in December. If you want to be informed and get involved, please join us on at the Meetinghouse. If you have questions or would like more information, contact Jane Jackson [janebjackson@gmail.com](mailto:janebjackson@gmail.com).

**AUCTION PLANNING** – **Sunday, January 13 at 11:30 AM in the Sanctuary**. Join us for a planning session for our “Far Out” UUFF auction (to be held on April 6, 2019.) This year’s auction will celebrate the pop-culture of 50 years ago: Woodstock; the Beatles’ final performance and release of Abbey Road; the manned moon landing; and much more! So grab a cup of coffee or tea, chat with a few friends, and then join us to help plan this major annual fundraising event.

## SUNDAY SERVICE, January 13, 10:00 AM - "Finding Hope, Keeping Faith" Rev. Edmund Robinson

There is a tide running which threatens to sweep away much if not all we hold dear. How do we find strength in our own souls and each other? How do we connect what is best in us?

The Reverend Edmund Robinson has been minister of the UU Meeting House in Chatham since 2008. He graduated from Harvard Divinity School in 1999 and was ordained that year. Before coming to Chatham he served churches in Wakefield and Belmont, MA, and Staten Island NY. Prior to entering the UU ministry, Rev. Robinson was a trial lawyer in Charleston, South Carolina. He is an avid folk musician and contra dancer, and a member of the Meeting House's *All Worn Out Jug Band* where he plays fiddle, banjo, concertina and jug.

**SHARE THE PLATE January 13** - This month's Share the Plate will go to *Belonging To Each Other* (BTEO). The amazing story of BTEO began years ago when a small group of individuals in Falmouth decided to address the problem of homelessness. Today BTEO is a coalition of 100+ volunteers from nine Falmouth congregations who are working together to fulfill BTEO's mission to provide housing to our homeless neighbors during the winter months.

BTEO's success is due to strong community support. Through generous donations to Share the Plate on January 13<sup>th</sup>, we can continue our support of BTEO's mission. Another way to help is to become a transportation volunteer. All that is required is to be flexible, friendly and on-call one day a week. To learn how the volunteer transportation works, contact Karen Crichton at [crichtonk12@gmail.com](mailto:crichtonk12@gmail.com).

**BROWN BAG BOOK BUNCH** will be meeting at Karen Zimmerman's home, 220 Coonamessett Circle, in East Falmouth on **Wednesday, January 16 at noon**. Please bring your lunch—drinks and dessert will be provided.

**WEBSITE UPGRADE** – We will be upgrading our website platform in the near future so if you go to the site and find a problem, please be patient. Also, email Joanie Thompson at [joan.k.thompson@gmail.com](mailto:joan.k.thompson@gmail.com) with specifics about any problems you encounter.

**OUR UUFF CARBON FOOTPRINT** - Did you come close to our estimate of how much we could together reduce our carbon footprint if every UUFF member relied on solar energy? The answer is over 2000 metric tons of carbon emissions per year and over \$200,000 in electric bills. If you don't have solar for your home and want to look into it try going to <https://www.solar-estimate.org>

**Sandwich Road Menu** brings you the latest news and highlights of upcoming events for the Unitarian Universalist Fellowship of Falmouth, Massachusetts. It is emailed each Friday and folded into the Order of Service on Sunday. Send submissions for all UUFF publications, including the Sandwich Road Menu, to [announce@uuffm.org](mailto:announce@uuffm.org). The deadline for submissions to the Sandwich Road Menu is **Tuesday at noon**.
