**SUNDAY SERVICE, March 3, 10:00 AM – *Sophia Fahs Sunday: Journeys of the Spirit***

Faith Formation is central to the work of being a person of conscience. Who is your faith (your deepest commitment) calling you to be? Who are we as a congregation called to be? This special service for all ages comes from The Fahs Collaborative Laboratory for Innovation in Faith Formation, “a feisty cohort of religious educators who support people in living meaningful, socially conscious, and spiritually grounded lives.” We’ll hear inspiring stories from some of our fellow UUs about their own spiritual journeys, and let them inspire us with a sense of what is possible for all of us.

**GOVERNING BOARD LISTENING SESSION at 11:30 AM on March 3** – The Governing Board will hold the fourth of five listening sessions this fiscal year in the East Wing. These sessions are an opportunity to let the Board know what you think. Please come and let us hear your opinions, suggestions, and questions.

- 2) Get rid of our gas vehicles and use electric ones when we must drive.
- 3) Cut way down on flying and sailing on mega cruise liners and switch them to hydrogen power.
- 4) Reuse, reduce, and recycle in every part of our lives to get to zero waste.
- 5) Eat less meat and more local.
- 6) Insist that our local and national policy makers institute changes to reverse climate change and the destruction of our environment.

**FAR-OUT FLOWER POWER FUNDRAISING AUCTION** – Planning has started for the **April 6, 2019** auction, but an auction without things to bid on is just a party. The Auction Committee folks will be handing out donor forms after the service on Sunday. Think about what you gave last year, then think about what you could do for this year! Early donations may be up for early bidding. Please contact John Jackson at [john@jackson-todd.com](mailto:john@jackson-todd.com) with any questions. Groovy!
