

Welcome to our No-Foolin' Auction & Potluck

Our Potluck Supper will be on Saturday, April 1. Doors open at 5:00 p.m. for appetizers and silent auction.

Dinner will start at 6:00 p.m. We still need a couple of people to help with set-up on Saturday afternoon and with cleanup after we're done.

We will not sell wine, or provide it at the potluck, due to stringent requirements for a one-day liquor license. I have confirmed with the town's select board office that it is allowed for people to bring a bottle of wine for their own use, or to share with a friend or two.

Auction Bidding

We are trying something different this year with two phases of bidding.

Online pre-bidding is open until midnight on Friday, March 31.

In person bidding will be open from 5 p.m. until 6:30 Saturday, April 1.

Helpful tips for bidding

Bidder registration

If your email has not changed since our previous auction, you are already registered, and should be able to find your registration by entering your email address.

How to buy multiples of something—such as places at a dinner:

For most events you will need to place two separate bids.

We have one or two items with a fixed price—these show up as 'buy-it-now' prices. Items with 'buy-it-now' pricing allow you to choose the quantity that you want.

Maximum Bids – for online bidding

If you place a bid online, you can also set a maximum bid amount. If you do this, your bid will increase automatically whenever you are outbid. It will increase by the bid increment established for the item. This is usually \$5 or \$10 increment. Maximum bids will not automatically increase once online bidding closes at midnight on March 31.

Proxy Bids If you are bidding on-line and unable to attend the potluck, please ask a friend to be your proxy—simply tell them which items you want and give them your maximum bid so that they can place bids for you. If you are unable to find a friend to be your in-person proxy, you can email me at ellen@jackson-todd. We have a few volunteers who will act as your proxy. (This will be on a first come-first serve basis, and availability will depend on the number of proxy volunteers we have.) We need to receive your proxy bid request by 8 a.m. on April 1.
